Country of origin of the object: \_\_\_\_\_

Getty Object ID (if available): \_\_\_\_\_

Purpose for dating the artifact:  Academic  Commercial interest  Personal interest

As the submitter you represent and warrant to us that:

- i. You are the sole legal owner of the object and you hold the unrestricted right to possession of the object;
- ii. To the best of your knowledge, the export of the object from any country and the import into any country has been in full compliance with the laws of each such jurisdiction;
- iii. In particular, the object has come into your possession by not violating the UNESCO Convention on the means of prohibiting and preventing the illicit import, export, and transfer of ownership of cultural property from November 1970.
- iv. You have notified us in writing of any substantiated legal concerns or allegations of which you are aware expressed by third parties in relation to the ownership, condition, authenticity, attribution, export or import of the object;
- v. The object is free from any third-party rights or any liens, charges, encumbrances, claims or potential claims;
- vi. You have furnished us with all of the information concerning the object's provenance and all such information is accurate to the best of your knowledge;
- vii. You will not use the name of the AEL AMS laboratory in any advertisement, or in a description of the object for sale; and not to pass the date on to a third party who might do likewise.
